

Wednesday 4th January 2017

Dear Parent/Carer,

Year 5 children will be having a Planetarium Dome visiting them in school on Monday 9th January, 2017.

The planetarium will allow Y5 children to experience an exciting and unusual learning activity so they can develop their science knowledge, linked to this Term's topic: Earth, moon and space. Children will be entering the dome in groups and will have the opportunity to watch educational videos about space, which will be beamed onto the roof of the Dome. They will also have the opportunity to ask the expert presenter questions, which will further develop the students' sense of creativity and independent thinking.

We are asking that you make a voluntary contribution of £5.22 per child to cover the cost of hiring the Planetarium Dome. Please use Parent Pay to make this voluntary contribution before Monday 9th January.

Many thanks,

The Year 5 team teachers, Miss. R. Ogden and Mr. S. Robinson.
