Price Increases

Prices of existing uniform and sportswear will be increasing by 8% from Easter 2017. We have experienced an unprecedented increase in our costs due to the devaluation of the pound versus other major currencies and are committed to maintaining current quality, therefore are forced to pass some of this cost onto our customers.

The price increase will take effect from 1st April 2017 and will be guaranteed to stay at these prices until Easter 2018.

We remain committed to producing ‘Made to Last’ ethically sourced uniform, and our current quality and manufacturing standards will be maintained.

You can be assured that Trutex will continue to provide great value for money uniform and sportswear.
