

Friday 9th February 2018

Dear Parent/Carer,

To ensure children's safety at all times we are going to change the way we welcome them in to the classroom.

Adults are more than welcome to accompany their children in to the cloakroom but we are now asking that children enter the classroom on their own. This will also further foster their independence skills and ensure a smooth transition to Year 1.

Could we politely request that, due to the size of the cloakroom, pushchairs and buggies remain outside.

This will begin on Monday 19th February 2018, when we return to school following the half term break.

Thank you for your continued support
