PE Kits

Please can children bring their PE kit to a school on Monday and leave it in school until Friday. Please can the kit include both an indoor kit (shorts and t-shirt) and an outdoor kit (tracksuit bottoms, t-shirt, jumper and trainers).

Harvest Festival

Please remember to bring your donations for Harvest Festival, we will be celebrating this in school on the 16th October. Please give donations to the class teacher.

Mobile Phones

We are aware that children bring their mobile phones to school for safety reasons on their way home, however it is school policy that children hand in their phones to their teacher in a morning and then collect them from the teacher at the end of the day.

We will also now be asking that children do not use their mobile phones at all until they have left the school site, this is to safeguard all of our children. We do ask you to consider whether it is essential for your child to have their mobile phone at all and if not then to leave their phones at home.

Halloween Disco

The disco is an opportunity for children to dress up if they wish, however they do not have to. Tickets now have to be paid for through your parent pay account and there are a limited number for fire safety reasons.

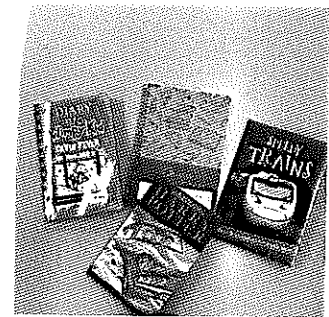

If your children would like to go to the disco, you will need to put your name down with the class teacher, who will provide you with a ticket once you have paid on your parent pay account. The office will help you with this if you have any problems. Children will need to enter for the disco through their classrooms and pick up will also be from classrooms.

Y1, Y2, Y3 ---- 3.15pm – 4.45pm

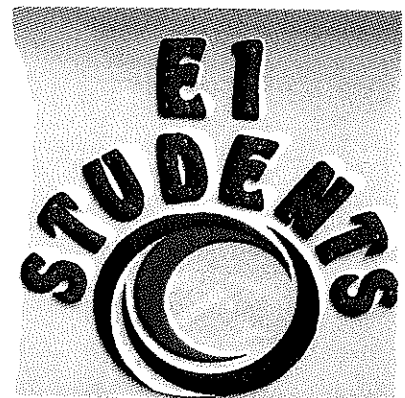

Y4, Y5, Y6 ----- 5.00pm - 6.30pm

Thank you for all your support with the Macmillian Coffee Morning... Look how much we raised!

Enjoy reading at home please sign the home school diary.

E1 learners, these children are our children that always try their best; this is their reward for their efforts.
